List competition / events you will participate in

Acknowledgement of the conditions to be monitor:

- Monitors have to be a legal resident of the USA or Canada and have valid drivers license.
- Monitors have to be capable of installing the exhaust system at the monitor's own expense.
- Monitors have to be capable of participating in motorsports events such as, auto-cross, high performance circuit driving, time attack, drag race, drifting events, etc. within 3 months.
- Monitors have to send product reviews and digital photos from the events.
- The reviews and photos sent by monitors will be used by 5ZIGEN USA, INC. for promotional purposes.
- 5ZIGEN USA will charge the difference from the MSRP, in case the monitor can not fulfill the assigned monitoring test and report.

I understand and agree to all of the above conditions.
